

Brad Tassell's "Marriage and Mayhem" offers hilarious insights into the most complicated relationship the human mind has ever devised. Offering laughs from his twenty-five years of matrimony and thirty years as a practicing comedian, with keen observations, and Q&A from the audience thrown in for good measure. With an M.A. in Behavioral Science, he is, without a doubt, the funniest standup Master of Marital Matters you will ever meet.

Brad has shared his comic wisdom on PBS, MTV, and ESPN, as well as theaters, Las Vegas, and was formerly voted the number one comedian of Carnival Cruise Lines.
